

Signage Buoys TM Series

North West Marine introduced a range of Buoys with proposed built signage. Our clients over the years have required more signage on buoys to give mariners more information while on the water. We manufacture buoys from 300mm to 3000mm diameter to hold the smallest to the largest information buoys. Information Signs can be customized.

| | |
|-------------------------|---|
| Specifications | |
| Material | Rotationally moulded Uv stabilized virgin polyethylene |
| Wall thickness | 6 to 18mm |
| Life expectancy | Up to 20 years depending on size |
| Warranty | Up to 5 year depending on diameter |
| Colors available | Yellow, Red , Green, White , Orange and customized colors can be produced |
| Signage size | 150mm to 2500mm diameter all signage is customized to client requirements |

High strength design

Low maintenance, High durability

Corrosion resistant material
